

MEN, DO YOU!

Do you want to be strong? Do you want to feel the vim, the snap and fire of vigor? Do you want courage, energy and ambition to support you in your cares and troubles?

I have devoted my life to the development of vigor in both men and women. I've made a great success. My methods are approved by the greatest doctors and copied.

I've proved that electricity is the basis of all animal life and that "weak men," dyspeptics, rheumatics, sufferers from lost energy, weak kidneys, pains in the back, head, chest and shoulders from varicose and its allied weaknesses, etc., are weak in electricity. My Electric Belt restores this life in a few weeks and cures every time.

Dr. McLaughlin's Electric Belt. Describe your case to me, and if I say I can cure you, I will guarantee to do so.

Drugs won't restore your strength. They only stimulate. If you have to take a stimulant take whisky. Taken in moderation it does less harm than the others.

"Every sign of pain and sickness has disappeared. I appreciate what your Belt has done for me," writes J. Schwarz, Coleridge, Trinity County, California.

I will gladly send you my book on this subject. It has 82 pages of meat to people who want more "fire." Sealed, free.

Mr. M. H. McLaughlin, 209 MARKET ST., COR. KEARNEY, San Francisco.

STILL wines are made sparkling when mixed with

white rock water

They are, in this way, given a zest and life, unequalled except by the best champagne. The dinner out or the gentleman who must entertain much at his club, will do well to note that the table will be supplied with this water. It is given a prominent place on the wine list of the most exclusive clubs in America, and has been honored by Presidential approval when served at the Inaugural Ball Banquet in Washington. The palate of epicures is gratified to the utmost by WHITE ROCK WATER.

Grave Charges Made Against the Army

Washington, April 8.—Charges of the gravest character are made against the army in the Philippines by the civil governor of Tayabas in a letter to Governor Taft, a copy of which was submitted by Secretary Root this afternoon to the Senate Committee on the Philippines.

This is the letter upon which General Miles based his statement that the war in the Philippines "has been conducted with marked severity."

The committee did not make the letter public, but it is learned that it specifically charges that American troops, principally Macabees, were guilty of atrocious outrages, including the assassination of innocent natives and the burning of their homes. The conduct of the army in Tayabas is further criticized because of its attitude toward the civil government. Considerable friction has existed between the civil governor and army officers with the result that the good anticipated from the civil government has not been obtained.

The charges are general in character. They fail to specify any particular outrage, nor do they present the name of a single officer or man who perpetrated the terrible outrages with which the army is charged. Secretary Root has been informed by General Chaffee that he is making an investigation of charges and when the general's report is received it will be submitted to the committee.
